\* Bonus Rate applies for a minimum deposit of \$50 per month, no withdrawals per month and account balances under \$ otherwise the Standard Rate applies. Personal customers only. Balances of all your Bonus Rate accounts are added together.  
 # Interest is calculated daily and paid quarterly. ## Interest is calculated daily and paid monthly.  
 Interest is calculated daily by multiplying the daily balance of the account at the end of the day by the daily percentage rate. The Daily percentage rate is the Annual Percentage Rate divided by 365.
